

## Donor Disclosure Policy and Procedure

The Board of Directors of Greenlight Operation has adopted a formal governing policy on donor disclosure. It is the policy of Greenlight Operation not to disclose information regarding our donors. Donors may come forward publicly with their contributions, but we protect donors' right to privacy and will not voluntarily disclose them.

This policy is consistent with industry-accepted practices as developed by the American Association of Fund Raising Counsel, the Association for Healthcare Philanthropy, the Council for Advancement and Support of Education, and the National Society of Fund Raising Executives.

We follow the tradition of voluntary disclosure and respect for donor privacy.
